

Haiku Poem

Flowers are
blooming!

Rain and sun
have made
them grow!

Isn't Spring
Time Great!

Third Line 5
Syllables

The true tradition of
the haiku poem
began long ago in
Japan.

To have a short line,
followed by a longer
line, then a shorter
line.

Try to use a specific
number of syllables per
line. You can count
syllables in the words
you choose.
